

You have just been given a Michael Crystal.

Upon receiving a Michael Crystal please accept it with the highest grace and love, for that returns the gift to the giver and completes the cycle of energy of this gift. This Crystal is yours to keep, and even if the physical crystal is lost, it will remain with you on a soul level forever, for it was given on a soul level. It carries the blended energy of you, the giver, and the entire Family of Michael. It will be a constant reminder that you are a part of an important family. Receiving a Michael Crystal means that you are being acknowledged as a Human Angel within the family of Archangel Michael who has made a positive contribution in the lives of those around you. Please accept it with the honor in which it was given. Once accepted, this crystal will bring beauty, passion and joy into your life. If you wish to activate this crystal to its fullest potential, find two or more crystals to gift to two or more people who have made a difference as Human Angels in your life. Place them overnight in water with the crystal you have just been given, charging them with your intent and the Michael energy. Then gift these crystals to the Human Angels who have touched your life, along with this message.

It is with honor that we ask you to treat each other with respect, nurture one another with wondrous gifts, and play well together.
